

Sirene Spritz

Serves 1 | 2 minutes

The traditional spritz formula calls for a bitter aperitif lengthened with sparkling wine and soda water; here, we swap the water for a bracingly tart Italian lemon soda to offset the light bitterness of Sirene, a modern hand-made aperitif from northern Italy. The result is a bright, citrusy, and endlessly refreshing aperitif perfect for these hot summer afternoons.

Ice

1oz Sirene Bianco

3oz Flora Prosecco

2oz A'Siciliana Limonata

Lemon peel

Step 1 Fill a wine glass with ice.

Step 2 Add 1oz Sirene Bianco, 3oz Flora Prosecco, and 2oz of A'Siciliana Limonata.

Step 3 Garnish with a lemon peel and dream of Italy.
